Amalgamating modern architecture & culture

Larsen & Toubro is a 100 Cr BHK development. India uses the term an 'imagined place' for a construction area and in this tradition is forging landmarks using projects in India and abroad. From our earliest days of involvement in real estate projects, L&T has been a critical part of India's growth. Today, many of India's iconic buildings represent L&T's growth in real estate, serving our architectural assistance.

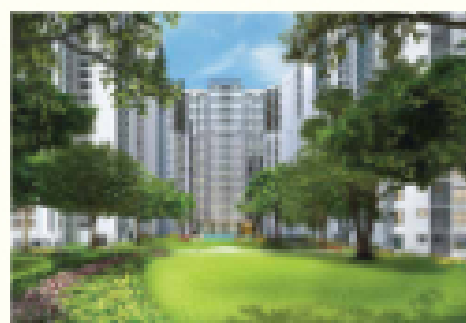

Modern Stadium, Mumbai
